

## NEW EMPLOYEE CLINICAL MEDICAL QUESTIONNAIRE

## **CONFIDENTIAL**

The purpose of the questionnaire is to see whether you have any health problems that could affect your ability to undertake the duties of the post you have been offered or place you at any risk in the workplace. We may recommend adjustments or assistance as a result of this assessment to enable you to do the job. Our aim is to promote and maintain the health of all people at work. Before health clearance is given for employment you may be contacted by Healthier Business UK Ltd and may need to be seen by an occupational health advisor or physician. Your record will be held on file for a short period of time and may be subject to audit. Your file may also be used to cross reference and ascertain your fitness should you register with other clients of Healthier Business UK Ltd.
